CORRESPONDENCE

Kern County Superintendent of Schools Review of Norris School District's 2025-2026 Local Control and Accountability Plan (LCAP)

Mrs. Mebane reported that this is an annual review by the Kern County Superintendent of Schools Office as in accordance with California Education Code Section 52070. After a comprehensive review, the Kern County Superintendent of Schools Office has determined that the Norris School District's LCAP meets all the criteria as outlined in Education Code 52070.

Special Education Final Transportation Costs Billback for the 2025-2026 School Year from the Kern County Superintendent of Schools Office

Mrs. Rosander reported that this is the Final billback costs from the Kern County Superintendent of Schools Office for Norris' 2025-2026 special education transportation costs.

First Quarter Williams Settlement 2026-2027 Inspection Results from Kern County Superintendent of Schools Office (KCSOS) for Olive Drive Elementary

Superintendent Silver reported that this is the first quarter Williams Settlement inspection results for the 2026-2027 school year for Olive Drive Elementary from KCSOS. All instructional materials in all four core subjects are sufficient and the facility has again received an overall rating of one hundred percent and an exemplary school rating.

REPORTS & DISCUSSIONS FROM SUPERINTENDENT & STAFF

Enrollment

Superintendent Silver reviewed the District's current enrollment of 4,320 with trustees.

Report from Michele Bryant, Director of Curriculum and Instruction and Lisa Limpias, Director of Instructional Services

Mrs. Bryant and Mrs. Limpias reported on the 2026-2027 math textbook adoption process. They reported that between the months of January 2026 and May 2026, the Norris School District teamed up with the Rosedale School District to hear publisher presentations from McGraw Hill, LLC, Big Ideas Learning, LLC, Amplify Education, HMH Education Company, and Savvas Learning Company, LLC. In the end, the group selected Amplify Desmos Math CA & HMH Into Math CA for sixth grade accelerated math to conduct a year-long pilot. Between September 2026 and December 2026 students in grades K through fifth will pilot CA Math and You from Big Ideas Learning, LLC and sixth through eighth grade will pilot Amplify Desmos Math CA from Amplify Education. Beginning in January 2027, all students in grades K through eighth will pilot HMH Into Math CA from HMH Education Company, which will conclude at the end of March 2027. During this time, parent representatives will be added to the adoption committee and provided samples of the selected curriculum to review. Between November 2026 and December 2026 the selected curriculum will be on display at the District office for parents and the community to review with QR codes being provided for community input. They then reported that during March 2027 and April 2027 curriculum presentations would be provided to all grade level staff members and each site's grade levels will submit their recommendations through a voting process. Once the voting closes, the results will be communicated to staff, students and community partners. At the June 2027 regular Board meeting, staff will present the selected curriculum for Board approval. Once approved, staff will move forward with ordering the instructional materials and preparing for Professional Development for staff. In closing, they thanked each of the committee members from each of the school sites and the District Office.

District Construction Updates

Mr. Weirather reported that the new classroom building at Norris Elementary is just finishing up a few last minute punch lists, which is mostly landscaping. The land purchase from Lennar is in the final stages and the District expects approval from the Division of State Architect any day now. Once these two items are complete, grading will begin on the property and the bidding process will commence. He also shared that a groundbreaking ceremony is in the planning stages and information regarding the date and time will be shared once established. Mr. Weirather also noted that he and Superintendent Silver had met with representatives from the California Department of Education, PJHM Architects and Mission Lakes owners regarding a future school site within the Mission Lakes development. There will be further information on this process as it becomes available.

NEW BUSINESS

Approval of Unaudited Actuals

Mr. Weirather provided an overview of the District's unaudited actuals for the 2025-2026 fiscal year noting the District's books closed at $1.85 million dollars ahead due to a decrease in spending. He reviewed funding sources for the received $67.7 million and the expenditures of $66.6 million by category noting that $50.7 million of those dollars, 76%, went to salaries and benefits for staff. At the second interim, the District expected the fund balance to shrink by $331,000; however, it grew by an additional $1.85 million. This increase is due to the District receiving $1.6 million in interest earned on cash, additional ADA and spending less than planned. It was moved by Mrs. Thisius, seconded by Ms. Dodgin to approve the 2025-2026 fiscal year unaudited actuals.

Approve Resolution #26-04, Resolution of the Board of Trustees of the Norris School District Granting Final Approval for Acquisition of the Gossamer Grove Elementary School Site, Directing the Close of Escrow, Authorizing Execution of a Certificate of Acceptance, and Authorizing Related Actions

Staff requested Board approval of Resolution #26-04, which authorizes the final approval of the purchase of approximately 13.88 acres of property from Lennar Homes of California, LLC for construction and operation of Elementary #5 within the Gossamer Grove Development. Mr. Weirather reported that the purchase of the land is very close to closing and once this resolution is approved by the Board it will be forwarded to the attorney. Funds have been wired for the purchase and once all signatures are obtained the land will officially belong to the Norris School District. It was moved by Mr. Bowles, seconded by Ms. Dodgin to approve Resolution #26-04 Granting Final Approval for Acquisition of Land, Directing the Close of Escrow, Authorizing Execution of a Certificate of Acceptance and Authorizing Related Actions.
